## THE GOD OF SECOND CHANCE

Every decision made today has a repercussion tomorrow

Make a decision when you are calm

When you make a decision when you are excited, it may affect you wrongly.

Never get to a point in life when your mood controls your decision.

When nothing guides you in life, you are bound to fail. When the world of God, counsel, instruction does not guide you, you are bound to fail.

Never be bigger than advice.

Hear more than you speak that's why you have two ears and one mouth

Don't let your situation dictate for you.

You may have missed it and messed up but you can still make it if you mean it.

A tree that you rest on that cannot kill you, when it falls on you, it cannot kill you.

The presence of God gives you security.

Never ask for things you are not prepared for.

Before you place a demand, be prepared for that thing when it comes.

Get to that point where you are deaf to what people are saying and alive to what God is saying.

### Keys to Marriage:

1. Background – know the person from his/her background.
2. Peace - how peaceful are you taking the decision you need to feel peace in the relationship.
3. Compatibility – be ready
4. Love – love is important in marriage

A Sign That You Are Prepared is that you don't struggle for it.

Knowledge precedes demand.

When you leave GOD, everything will leave you.

## RESSURECTION POWER

Failure is not defeat. It is delay.

See failure as speed breakers that will only slow you down and give you the chance to change your gear to the highest.

Life is 10% how you react is 90%

Don't let them take away your joy ever

In the midst of trials and trouble, hold your peace

.

Remain calm in times of trouble

If you want to hear God, read God.

You cannot understand my speech because you cannot hear my word

No matter what you do for people, they will not remember you in times of trouble.

A sane man in an insane community is insane to insane people.

Love people but prepare your mind to be hurt.

Don't expect too much so that you don't get disappointed.

When God wants to destroy people, he closes their ears to the voice of reasoning.

Resurrection power is the power that fulfills prophecy.

Adversity, pain, disgrace is the vehicle that fulfills prophecy.

You are going through what you are going through because you are a great person.

## THE GOD OF SECOND CHANCE

Anything missing can be found

Helpers can come with bad characters, take and bear all the bad characters and get the help.

God restores you before restoring anything you need.

One problem of Africans is that they place less value on ourselves and more value on what we need

Place more focus on yourself than your achievement and what you want.

When you come to God for himself, he gives you himself and everything.

“I need money” (God gives you money)

“I need you God” (God gives you everything and himself)

Only God can totally let go

Your ability to admit that you made a mistake makes you stand out among people that make mistakes.

Anytime you feel fear, you have lost the presence of God

When you are depressed, you have been “dispresenced”

.

## JOY IS THE ONLY THING THAT YOU SHOULD NOT DO MODERATELY

Good men don't take money from women. They give to women.

22<sup>ND</sup> APRIL, 2018

### WARING WITH PROPHECY

For your prophecy to manifest, you need to be active.

There are secrets that fulfils prophecy one of it is that you need to sow seeds

Delay is a stretch in time between prophecy and fulfillment

Delay is a satanic pause on your plus

Anytime you are ready to activate God's time in your life that is God's time in your life.

When God terminates delay, he fast forwards your blessing when delay is not handled, pleasure is short lived.

Marry at an early age so you would enjoy marriage to the fullest.

When you are hit with the spirit of delay, evil continues when the spirit of delay is in a person's life, compromise is inevitable it becomes a pattern.

When your harvest is delayed, re-examine your seed.

### THE GIFT OF A MAN

A man sent by God into a specific individual.

Temptation and hard times is not a problem because everybody passed through it. The problem is the time/duration.

When you do nothing about private condition, it becomes a public case.

When you lack a man, you live a life of questions

When you lack the gift of a man, life will cheat you

Life is not fair.

Use your mind for useful things/ creative things

Every man met a man at a certain point in their life.

Without your man, you will wait to waste.

What God initiates, man delegates.

Before your man comes, your God must come first.

The name of Jesus is authority not identity.

To get the gift of a man, you need definition.

Make yourself a person of value

If you don't have a definition, circumstances will define you

Definition determines destination.

God gives people opportunities and time

Do not miss your opportunity. Take every opportunity by the neck.

When you get a definition, you become the center of attraction

When you discover who you are, you become news and People talk about you

When you discover the character of people, simply adjust.

**YOUR GREATEST HELPER IS THE ONE THAT HELPS YOU DISCOVER WHO YOU ARE (The person that tells you what you have inside of you)**

6<sup>TH</sup> MAY, 2018

## THE GIFT OF A MAN 2

The only compensation for wasted years is wholeness

When you lack the gift of a man, your life will be full of questions

Any head without sense is a load on the neck

Be prepared at all times.

Successful people are smart people.

You can achieve anything in the physical if you achieve it in the spiritual

The spiritual controls the physical

You may not know where you are going but know what you are looking for.

The proof of spirituality is encounter with Jesus.

13<sup>TH</sup> MAY, 2018

## JUST ONE BLESSING

The strength of the oppressor is the silence of the oppressed

Be watchful and careful

It is not everybody you talk anyhow to.

Don't add more mistakes to the ones you've already made. The life of a great man is a lonely life.

If you carry a great destiny, God will not allow you to be corrupted because there is something you carry. You cannot behave the way others behave. You can't say what they say or do what they do. You will be denied pleasures of the world.

20<sup>TH</sup> MAY, 2018

### THE GIFFT OF A MAN 3

The answer to your prayer is a man

Not all helpers are billionaires who will give you money. Some come as nobodies.

The helpers that come into your life as nobodies are your greatest helpers.

Your man is your strategic link between your experience and your expectation

Your man is heaven's intentional maga that is aimed at making you an outstanding

Be kind of people

Don't allow your achievement swallow your condition

Unkind people have no emotions.

Be kind to people

Be kind to people

How you treat people is the "amen" to your prayers.

Treat your wife well. Be kind

The answer to your prayer is the man and how you tr

eat him/her determines how

fast your prayers will be answered.

Nobody care how much you know until they know how much you care.

Kindness is relating with people with tomorrow in mind.

Anything you can't give your family, don't give another person

Be kind be kind

When you announce yourself too much, the world expects so much from you.

Knowing what hurts people and avoiding it is kindness

.

Be kind

You cannot treat people kindly without believing in them.

Opportunities come in rags (disguise)

Reduce somebody's pain when you have the opportunity to do so.

Develop the attitude of greatness. When you don't know how to say thank you, you lose a lot of them.

Thank people for everything every kind gesture.

27<sup>th</sup> MAY, 2018

## LAWFUL CAPTIVE

What is lawful captive?

A satanic affliction on the platform of personal invitation.

Astronomical bondage that is facilitated by self will.

Opening the door for the enemy and handing him/her the key.

Being oppressed and afflicted through self will.

Because of one's mistake or approval.

## THINGS THAT TRIGGER LAWFUL CAPTIVES.

1. Ignorance – when you have knowledge, you have access to your right  
Knowledge is the key. Personal knowledge of God is your regard for values

2. Silent Foundation - What your father says instruction but what your  
mother says is law.

6<sup>TH</sup>JUNE, 2018

Don't be deceived by the present success you are enjoying because it may just be the beginning of where God wants to talk you to.

We struggle to love God because we don't know that he loves us.

When what is against you is above you connect to him that above all.

The way to get out of trouble is to trouble the trouble.

When people persecute you, it means there is something you have that they don't have. Fatherhood is a gift that comes once in a lifetime, treasure it.

7<sup>TH</sup> JUNE, 2018

## GENERATING SPIRITUAL CLIMATE

You cannot walk to your place of rest without an atmosphere

The pillar of cloud by day is an atmosphere of blessing

The pillar of fire is an atmosphere of judgment

The pillar of fire is for both night and day because the victory you get in the night determines your celebration during the day.

Your ambience determines your audience

What is around you determines what comes to you.

You cannot enjoy life without carrying a pillar of fire in this generation of wickedness. It is an error to be pillar less.

I am too important to be impotent

I am too expensive to be expended

If you must generate your climate there must be separation within you.

There are three kinds of prayers:

1. Adoration prayer – reminding and thanking God for what he has done before.

You can pray wrongly but you cannot adore wrongly

The reason why your prayers have not been answered is because you have focused on the prayer than the God that will answer it.

In everything, give thanks for this is the duty of humanity.

10<sup>TH</sup> JUNE, 2018

FROM CAPTIVITY TO GREATNESS

Captivity is when a celebrity lives in obscurity

If you must be great in life, you need to come out of captivity

You can never enjoy prosperity if you lack sympathy.

Love one another.

Let mercy prevail over judgment

You must have a min of your own to be successful leader

Do not marry because of physical conditions e.g. do not marry a woman because she is a chorister or banker or top official. Marry because you like the character the real person of the person

Your humanity is determined by your humility

A man without a vision can live anyhow. A man with a vision knows the next step.

Your vision is known by opposition

The child that gives you problem is the child that will announce you.

Professors are admired but only professionals are paid

Character has an aroma that smells to people

Women like change (money)

Humility reveals humanity

Your humanity is determined by your compassion.

When you are in the position to help people, help them.

To be great, you must have the face of a lion.

The consciousness of territory (The

Consciousness of being in charge of your territory.)

Carry the characteristics of a lion in your career, your education, your family.

To be great you must have confidence – don't let physical features intimidate you.

Don't let words, action intimidate you

A confident man is a competent man. Remove fear

You must avoid complain

Don't complain to who cannot help you.

Your vision is what attracts your provision

17<sup>TH</sup> JUNE, 2018

FATHER'S BLESSING

The father is the target of the devil not the mother or the children.

Fatherhood is not a title, it is a function

The reason many children are living wrong lives is as a result of the absence of the father.

The absence of a father brings abnormality

What the children don't see at home, they look for it outside

A father is a source

A father's blessing is:

A pronouncement that determines your announcement

An intangible release that provokes tangible increase

An invincible utterance that produces tangible result

A fathers blessing is not just the person that brought you to this world. He is a provider. Your dad is the man that gave birth to you

The value you should have for a man is the way they treat their family.  
A dad is not a father but a father can be dad  
The smile of a father is a blessing that rarely comes  
Fathers get angry when their sons behave the way the do

Things a father must do/be:

A father should be trusted

1. A father works. Man was created to work. God did not curse man directly. He cursed the ground where the man works so it will be hard for the man to work

2. A father raises up the seed to the point where he can commit to him. Anything you, be cautious that someday you will commit it to the children.

A good father creates a good relationship with the son. When the relationship between the Father and the son has a problem, it attracts a curse.

People don't steal from a transparent man

What we owe our fathers:

What you owe your father is honor

How do you honor your father?

By carrying his burden

When your father's burden becomes your burden, royalty is inevitable.

Be persistent until you get results.

Fight what fights your father

You can be fighting for a father that does not know you

Who is the son that dishonors his father?

The son that fights his father  
He that takes away his father's happiness  
Money is not the blessing but the blessing brings money  
and good health to enjoy the money

24<sup>TH</sup> JUNE, 2018

UNCTION FOR EXEMPTION

Exemption is preservation in the midst of exemption  
The reason why people look at, you and become jealous of you, it is because  
they see something that you don't see in you.  
Everything remains normal until you make a decision to change it  
Life gives you options, you make decisions  
It is better to be slow and sure than to be fast and fall  
Sometimes shortcuts are the longest  
If you take life casually, you may end up a casualty  
Control your mouth because even after peace reigns, the words remain  
How to receive unction for exemption is through encounter

A token is that thing that heaven sees and remembers you e.g. wristband,  
necklace

Every encounter is God dependent but man initiated

What is going to be is not going to be unless somebody makes it be

Sometimes before God changes your story, he will first increase your problem

Marry a woman not because of what she looks like today but because of the  
character that will remain after the beauty fades

Humility is a futuristic quality

What gives you prosperity is giving that which cost you something  
Prayer is the aircraft, sacrifice is the pilot

1<sup>ST</sup> JULY, 2018

AUNCTION FOR EXEMPTION 2

Not everybody is sad when things are bad

You return to bondage because you are trying to break yourself free by yourself. You need help

It is possible to be exempted

Knowing and seeing ahead is a prerequisite for exemption

Genuine encounter is contagious

If you have a price, you will sell your faith. Those who keep their faith are those who don't have a price

Real men don't play other men to collect their money. Real men make their money

Until you have something of value people will not you serious

People respect you when they know who is in your life.

Nothing changes until you change

You cannot be a voice until you have a source

People want everybody to be like them. Just be yourself

To survive in life, praise should not get into your head and criticism should not get into your heart

Don't stay with somebody who cannot as you questions.

8<sup>TH</sup> JULY, 2018

## ESTABLISHMENT SECRETS OF SAMUEL

To be established is to be settled, satisfied

A man who is established does not experience seasonal blessings

To be established is to enjoy the hand of God

When a man is established, he does not look for people. People look for him

Samuel exemplified character and charisma

Righteousness is RICHeousness

Your prosperity glorifies God

Don't try to attract sympathy by releasing pitiful statements

War without revelation makes you a warrior

War with revelation makes you a warlord

Your integrity is in your respect for agreement

If you want to hear God, read God

Maturity takes place in obscurity. There must be the silent years before the breakthrough

Greatness is in preparation

In preparing you are preparing to be great

In every family, there is a leader

A wall can become a door if you keep knocking and believe

When you know what you want, every way becomes a way

Don't bear pain. Just ignore that which will cause you pain

If you want to keep receiving from God increase your capacity

There are some opportunities that when you miss them, you've missed them for life.

People follow standards that you set

Every youth has an assignment, be careful of your assignment

Your assignment is not a decision, it is a discovery

When you are cautious of your assignment you take stock of your life

The more assignment you are given, the more humility you need

You have no excuse for failure

Life is a risk eliminate fear

Don't fear risk. Take the risk

When you take a risk, heaven backs you.

Lazarus was poor but he had a name. The rich man was rich but he had no name

Plenty without purity swallows identity

When you do for people what they cannot do for themselves God will do for you what you cannot do for yourself

No matter your situation God is aware

Literacy is not education

Literacy is acquiring Knowledge in the four walls of a building while education is acquired by exposure and experiences of life

The law and the prophet are the preservers of destinies

Anyone connected to a prophet is a prophet

Develop the interior. So many people make the mistake of developing the exterior by buying good clothes, beautifying themselves when their interior is lacking.

Do not look at the outward appearance. The things that are seen are temporary

Life is not all about fun. Life is also about soberness

There should be sober moments in your life

Anything one does not learn from, he/she repeats it.

When God blesses you, any poor person you are permitted to see, he wants you to help him/her

Death is an appointment all men must keep

You don't save after spending, you save before spending

29<sup>TH</sup> JULY, 2018

THE REALITIES OF LIFE 3

Never get to a point in life where you forget that you are what you are because there is God

What makes you what you are is the presence of God in your life

The Lord announces his arrival but does not announce his departure

Pride is gradual (a gradual process) it is not everybody you disrespect

Do not mistake God's mercy for his approval the difference between peter and

Judas is their reaction to rebuke. Prayer cannot work for an arrogant

Fight the battle. Don't let your children fight it.

You are fighting today because your father failed to fight the battle

If you don't do what you should do, somebody will enjoy what is meant for you

Don't keep quiet. If you don't confront evil, you are part of the evil

Don't depend on people because a time will come when they will be helpless.

Depend on God alone.

12<sup>TH</sup> AUGUST, 2018

## DIVINE REJECTION

God hated Esau because of his ways. A man is known by his ways

Jesus is the way to God that is why you need to know the way (Jesus) to get to God

When your character does not walk in line with your gift, then there is a contrary spirit working

The things God hated about Esau were:

1. His profession – he was a hunter. (Esau goes out to hunt for little things when his father had so much to spare at home)
2. Stop hunting because there is enough for you already

### Characteristics of hunters

1.

They lay in wait (they set traps) God says he hates it

2. Hunters do not gain until something dies (they are killers)

3. Hunters are pretenders

4. God hated Esau because he was a man of the field. He stayed outside the house

Spend time with God in the secret. Esau went outside to look for what is inside

5. Esau handled serious issues unserious

How can somebody say “give me your birth right before I give you food”? and you take it as nothing

In destiny, anything free has no value  
Esau kept the wrong company
